### Ordering Quantity:

> Our plants are grown in 51 of split 102 liners. Each liner contains 51 plugs and are 1" hex in size.

> Minimum quantity to order is 50 plugs per plant variety.

> Liner prices are based on the nearest tenth integer, meaning the additional 1 plug is not charged.

### Prebooking & Early Order Discount (EOD):

> **Placing your prebook in advance may grant you a discount on your order.**

> EOD orders must be placed by October 15, 2026, for shipment January 4 to June 28, 2027.

> Minimum order required to receive EOD is 1,200 plugs (24 liners) per ship date.

### EOD Guide:

\$1.00 off per 100 plugs on orders of 1200 plugs.

\$1.50 off per 100 plugs on orders of 1300 to 4000 plugs.

\$2.00 off per 100 plugs on orders of 4100 plugs or more.

\*Early Order Discount is applied to the final invoice\*

## Prebooking:

> Prebook orders are orders placed in advance of your growing season.

> Your order is put into production at least 12 weeks ahead of your selected ship date to ensure optimal size for shipping and transplanting. **The 12 week lead time is required.**

> **Ship dates for late February to early April will likely sell out before October 31st.** If an order is placed for a week that is sold out, we will move it to our next available date and note the change on your acknowledgement.

> In the event it is too late to prebook your order, excess availability is available to order from the week before your selected ship date.

**\*\*Production changes and cancellations are handled on a case-by-case basis\*\***

## Weekly Excess Availability:

> Our excess availability are any extra plants left over from prebook sales.

- Excess availability does not have a specific day that it goes live, but we strive to host it every week.

> You may opt-in for email alerts for our cell pack availability by emailing: [orders@hillcrestnursery.com](mailto:orders@hillcrestnursery.com).

> We do not sell these trays in advance. They are available to ship the following week only.

**\*\*Late February - early April (weeks 9-15), we may not have an excess availability due to our shipping capacity being reached.\*\***

## Placing an Order:

> Prebook and excess orders can be placed online under their respective tabs.

> You will need shipping and billing info, and payment information upon placing your order.

- Please note: Credit/debit payments are not processed until the week before the order ship date.

> For full boxing we can ship 8, 6, or 4 liners in our boxes. We do not have an order minimum.

- 8-6 liners fit in a large box

- 4 or less ships in a small box.

> If unable to place an order online, you can email it to: [orders@hillcrestnursery.com](mailto:orders@hillcrestnursery.com), or place your order over the phone: 1(800)452-4032, or Fax: (410) 239-4396

> **Monitoring email correspondence is of utmost importance.** Acknowledgements and invoices sent via Plant Partner may have important notices, such as shipping delays, winter packaging, freight, back-orders, cannot supplied items, etc.

> **Additional charges may apply and can be viewed on the next page.**

## Plant Tags:

- > Plant tags are available for \$8.50 per bundle of 50.
- > **A restocking fee of 5% will be charged if tags are cancelled from an order.**
- > Tags are required for patented herbs with a royalty charge.
- > Tags may not be available for all items.

## Shipping & Freight:

- > We ship via UPS and FedEx. Air cargo collect is available under select circumstances.
  - > Freight is determined based on location and selected service. UPS is usually the cheapest.
  - > Customer pick-up is available Tuesday-Friday, 7-2, with notice to our office.
  - > Boxes can hold:
    - Large Box: 8-6 liners
    - Small Box: 4 or less liners
- \*\*During extreme temperatures, we reserve the right to delay shipping until safe for plant material\*\***

## Additional Charges:

- > Boxing charge: \$9.30/box.
- > Drayage charge to airport: \$6.00/box.
- > Winter boxing: \$5.00/box.
  - Winter boxing is required in the case of extreme cold or weather conditions that would result in unhealthy plants upon delivery.

## Need to Know:

> Upon placing your order, you will receive an acknowledgment from [plantpartner@hillcrestnursery.com](mailto:plantpartner@hillcrestnursery.com).

> You may receive more acknowledgments closer to your desired ship date if we need to make revisions or other changes. Such as weather delay, ship date, back-ordered items, etc.

> All emailed documents are expected to be read carefully to ensure any adjustments are understood and accepted.

> If there has been a change that requires clarification or cannot be accepted, please email [orders@hillcrestnursery.com](mailto:orders@hillcrestnursery.com) or call our office at 1.800.452.4032.

## Quality Issues & Claims:

> Initial claim via email is necessary within 24 hours of delivery.

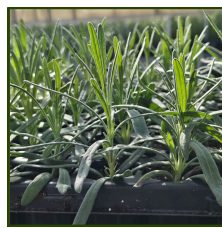

**Email: [orders@hillcrestnursery.com](mailto:orders@hillcrestnursery.com).**

> **Photos must accompany all claims, including plant material and original liner tags, clearly showing any and all damage to your plants upon delivery.**

> Our claims protocol requests you transplant what you can and allow a maximum of two weeks to document further loss or recovery.

> Final count of lost plugs must be made no later than two weeks after the shipments delivery date.

> Upon claim approval, a credit memo is issued or replacements can be supplied if available.
